发展历程 Development history

关于川海 ABOUT CHH

川海国际船务成立于2010年，自成立以来一直致力于派遣东南亚外籍船员及渔民。之后，我们成立了福州川海人力有限公司，并获得了劳务派遣经营许可证。在缅甸成立了分公司，取得了缅甸海事局的SPRS派遣资质，并在印尼设立了分公司。随后，我们陆续在越南、印尼、孟加拉、菲律宾和印度设立了办事处。我们是福建省远洋渔业促进会会员单位和福建船东协会理事单位。

目前，我们拥有一支约60人的团队，在商船上有2000名船员，在渔船上2000多名船员。船舶在港口停留时间短，租金高昂，时间就是金钱。国外港口代理费用高，船员不能早到或晚到港口。特别是疫情以来，各国港口政策和签证规定经常变化，国际航班转机行李托运也有许多规则。各国船员的证书种类繁多，办理船期国证书的要求各不相同，所需职务经常变化。船员的出发时间、工资和职务很难完全匹配船东的需求。船东不仅需要非常专业的船员，还需要一支耐心、细心、拥有广泛船员网络、责任心强的专业团队，将船员从家里一路“护送”到船上。现在在船上的人数，证明了船东对我们工作的认可。

由于船东的信任，我们还为船东提供采购物资、购买机票、联系港口代理等服务
CHH Shipping International, established in 2010, specializes in dispatching Southeast Asian seafarers and fishermen. We founded Fuzhou Chuanhai Human Resources Co., Ltd., obtained a labor dispatch business license, and established branches in Myanmar and Indonesia, along with offices in Vietnam, Indonesia, Bangladesh, the Philippines, and India. We are members of the Fujian Ocean Fisheries Promotion Association and the Fujian Shipowners Association.

Our team of about 60 manages 2,000 seafarers on merchant ships and over 2,000 on fishing vessels. Given the high costs and short stay times in ports, timing is critical. The pandemic has complicated port policies, visa regulations, and international flight rules. Crew certifications vary by country, and matching crew availability with shipowner needs is challenging. Shipowners need professional, responsible crews, and our team's extensive network ensures smooth transitions from home to ship.

Our trusted services also include procuring supplies, purchasing air tickets, and liaising with port agents.

Countries on board: Uruguay, Singapore, Hong Kong, Batam, Zhoushan, Peru.

Other business: Airline tickets purchase, contact port agencies, ton bag purchase, materials purchase.

机票篇 Air tickets

专业定制你的海员出行计划

为了使您的国际旅行更加便捷，我们还特别推出航空机票预订服务，与普通的订票预订服务相比，我们具备以下优势：

- 1. 低廉的价格。**关于机票价格，船员机票比航空公司提供的特价机票还更有竞争力，行程若有变更时可进行改签或退票，为船员减少了不少麻烦，同时也节约了成本。相关条款请联系合作的航空公司。
- 2. 超重行李托运。**对于某些特定合作的航空公司，持有效地海员证和身份证即可预订船员机票，为船员提供的行李托运重可达40公斤，而大多数的航班限额只有20公斤。考虑到您的外出旅行长达半年以上，超额的托运量无疑给您的行李存放带来更大的空间，详情请咨询合作的航空公司。

Customize your seafarer travel plan professionally

To make your worldwide travel more convenient, we launched an airline ticket booking service. Compared with ordinary ticket booking service, we have the following advantages:

1.Low price.

Regarding ticket prices, marine tickets are more competitive than tickets provided by the airline. Marine tickets can be rescheduled or refunded whenever the itinerary changes, which cut the odds of trouble for the crew and saves costs. Please contact our partner airline for more rules.

2.More baggage allowance.

For some certain cooperative airlines, marine tickets can be booked with a valid seaman's certificate and ID card, and the baggage allowance for seafarers can weigh up to 40 kg, while most flights have a limitation of only 20 kg. Considering that your trips usually last for more than 6 months, the increased baggage allowance brings more space for your luggage undoubtedly. Please consult our partner airlines for more details.

我们的优势

Our advantages

我们的优势

Our advantages

- Extensive partnership with shipowners
- High-quality crew resources
- Years of accumulated top-notch returning crew
- Rich experience in crew replacement
- 2000+ merchant and fishing vessels; global port crew replacement
- Attentive after-sales service, addressing all crew issues from boarding to disembarkation
- High sensitivity to policy changes, prompt adjustment of response
- Strong pioneering spirit, actively seeking and cultivating new crew sources
- Smooth and comprehensive processes, various channels for verifying crew qualifications

拜访船员国家 ■

Visiting crew countries

缅甸 MYANMAR

Recent years saw a surge in Myanmar mechanics and seamen, many with Chinese experience. While there's an abundance of ordinary crew, senior crew are relatively scarce.

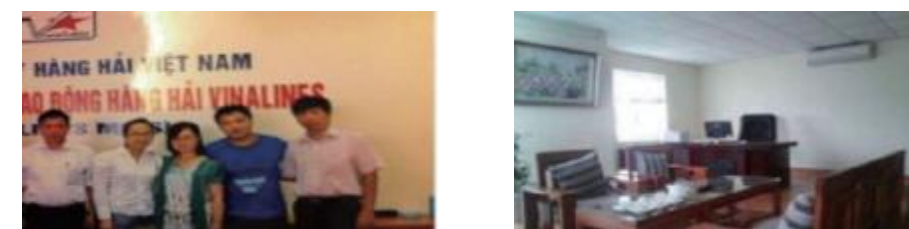

印尼 INDONESIA

– Indonesian fishermen, with the lowest wages, are the most prevalent and experienced. Indonesia, with its myriad islands, boasts a diverse range of seafarers, including those skilled in oil and chemical tankers and cargo vessel deliveries.

越南 VIETNAM

Vietnamese officers boast strong technical skills. In recent years, there's been heavy usage of Vietnamese crew, many with Chinese maritime experience and some proficient in Chinese.

孟加拉 BANGLADESH

Large number of engineering ship crew members in Bangladesh.

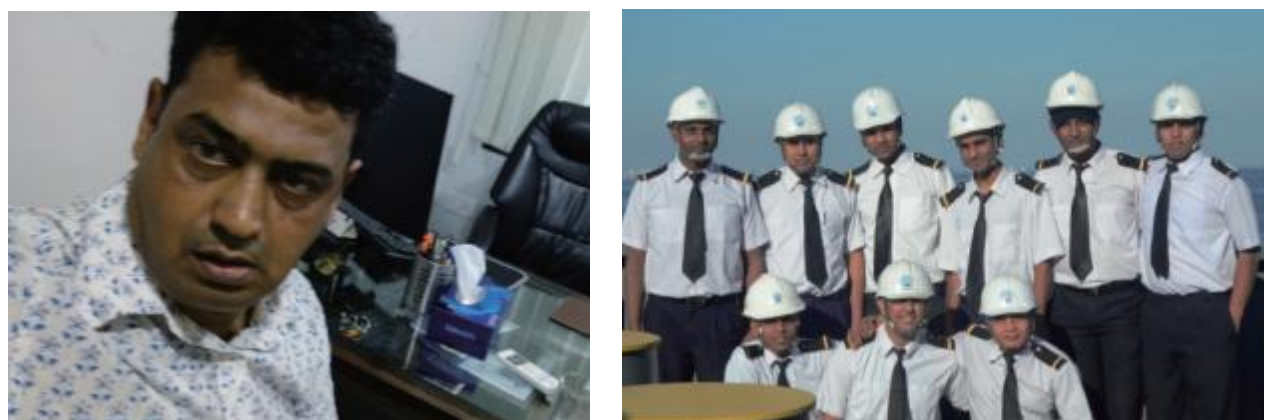

菲律宾 PHILIPPINES

High quality and good English skills, making them preferred by large companies.

印度 INDIA

Countries that export many crew members have good English skills, and their technical skills are widely recognized by major shipowners.
